Testimonial

I registered a **Bildungsurlaub** course at GoAcademy! and that has been my best decision by far this year.

Just by immersing myself everyday with German lessons from super cool teachers for 1 week, my German skills definitively improved a lot, especially with grammar and speaking skills.

The course was well structured, clear goal and I got fun while learning. Definitely will recommend it to everyone I know.

To Anja, Sven and Marina -thank you for shaping my love for German language.

Hice mis cursos A1 - B1 y B2 con Goacademy y realmente no puedo estar mas satisfecha y agradecida. La calidad humana de las personas que allí trabajan es inmejorable, tuve muchos profesores diferentes y realmente son excelentes!

Las clases me encantaron, las instalaciones son muy buenas y los meses que allí estude son inolvidables!

Aprendí mucho, no solo el idioma sino también sobre la cultura alemana, y aunque no todo fue siempre perfecto puedo ver el esfuerzo que ponen por solucionar las dificultades que puedan presentarse.

If you are looking to obtain your FSP, I would recommend starting by attending an academy. I completed the German for Doctors course back in July, where I met great people and had the opportunity to really practice both speaking and writing. We had homework every day, and the instructors really pushed us. Today and after lot of work, I received my Approbation. I hope you achieve yours soon too.
